

## Biography

My name is Ruby Ramone and I am 17 years old. I am a keyboard player in a band called Explosion. I was born in Glasgow, Scotland but moved to LA, California with my parents Lisa and Davie when I was 13 years old. My mum is 37 years old and my dad is 39. They moved to America with my Dad's work and hoped to have a better life for us.

My hobbies are dancing, shopping and I love swimming. I love to dance because it makes me really happy and cheery. I also love to go shopping with my pals for loads of stylish clothes and shoes. I really like listening to music, my favourite artists are Rihanna, Pixie Lott, Kesha and Katy Perry etc. I love to go swimming its one of my favourite things to do and as you can see one of my hobbies I also like other sports such as netball.

JJ and I emigrated to America, to Los Angeles (LA) and we all met in 3<sup>rd</sup> year at music class (well Glee Club). When we were quite small, we all had a dream of becoming famous. I also learned how to play the keyboard at primary school and that's why I play it in the band. The names of the people in my band are AJ, Aili and JJ.

I hope my band becomes really famous and sells albums. I also want to perform in lots of really good concerts and make loads of money! I would like to sell I-POD backings, t-shirts, jumpers and many more things. I would also like to make a movie and I hope we have a long and successful career. My band is also having a concert next month and our new album will come out soon I hope.
