

Biography of my Character!

My name is Adelye Roseblue and I'm 22 years of age. I was born in Sydney, Australia and at the end of primary school I moved to Perth, Australia. I moved to Perth with my mum, Jodie Roseblue age 41, my dad, Will Roseblue aged 46, my sister, Kayla aged 18, and my twin brothers, Kieran and Scott Roseblue aged 22.

My hobbies and interests are playing the keyboard, art, ice-skating and listening to music. My favorite bands are The Black Eyed Peas and Skull Bones. I also love Pink. When I moved to Perth I went to Perth performing arts high school. In sixth year I met my old friend Flip from primary school in Sydney and we met a new girl called Princess Amy-Lee. We soon formed a band called Kcor (rock spelled backwards). I play the keyboard and sing, Princess Amy-Lee plays the drums and also sings and Flip plays the guitar and raps.

I hope our band becomes a big success and our main goal is to get number one selling album.
