Hello and welcome to P7K

We are Kcor and we hope
you enjoy our topic work

Our topic

Our topic is 'Band in a box' which others would know as Guitar Hero3.

In our bands we wrote lyrics and created a song to go with it. We also had to book flights to France. We had to book transport and a hotel plus we had to keep money aside to take Jeremy Vinyle to a restraunt.

Sometimes we play guitar hero however there is alot more to the topic than just playing a game as you can see by looking at our work.

Princess Amy Lee is 22 years old she loves swimming and plays the drums.

Flip is 23 he skates swims and surfs and he plays the guitar.

Adelye Rose Blue is 22 years old she loves ice-scating and art. Adelye also plays the keyboard.
