

PEAS ON EARTH

My name is William Rockfire or my stage name Lil Will. I am 23 years old and I was born on 5th July 1987. I was born in Chile but I currently live in Texas, U.S.A. I moved because my mum and dad died in a terrible car accident. My parents left me all their money so I'm rich. I live with my cousin Herbert in a mansion. I have a brother, 3 sisters, 2 cousins and an auntie. I have 25 pets and they are a parrot, 10 ghecos, 5 turtles, a polar bear, 5 dogs, a cat, a jellyfish and a rattlesnake.

My hobbies are playing guitar, running, hiking, listening to music, archery, and mountain biking. My favourite thing to do is to listen to music because it takes my mind off of things.

My musical influence is A.C.D.C because they are my favourite band of all time. They are my favourite band because they are great singers and their music is really catchy. I also like the name because it rocks. They are also good because of their look. Their look is bad boy rocker look. I am currently part of a band called Peas On Earth. The type of music we play is R'n'B. The instrument I play is electric guitar. Jenny Bloom sings and plays the drums. Avril Starose sings for our band.

Our band got together because I used to be in a band called Skulls & Rockbones but I got kicked out because they didn't want me anymore. We broke up at Hawaii Music Festival 2007. That is also where I met my new band, Peas On Earth. The people in our band are me (William Rockfire), Jenny Bloom and Avril Starose.

I hope that our band gets the chance to
