

# Red HOT Ice!

L

My name is Dexter Sting Wilde, but my family call me Dex Wilde. I was born in Japan and I now live in Spain, Madrid with my friend Martin and I own a beach house with my wife Kerrie, my son Jake Wilde, my daughter Amelia and our newest baby Winter Wilde. Also I have an older brother called Ace, who I no longer see as he and I got into a fight and I broke his jaw. I am an orphan as my parents died in the 9/11 bombings of the twin towers. I have six guard dogs, five model Dalmations and two cats.

I enjoy boxing, freerunning, poker and darts. My interests are art, swimming and skateboarding. I also enjoy buying myself and my family things as my parents left me £1,000,000,000 as they owned several social networking websites.

Growing up I enjoyed Eminem and Nini Jempah as they had great passion for music and rapping. I am a member of Red Hot Ice and my stage name is Interest.

Our band has four members: Daysha aka Triple M (vocals) Rachel Burns (vocals) Martin aka Martain (guitar) and Interest (drums).

The hopes for the band are that we get the most popular album ever.
