

RED HOT ICE

My name is Ksomi Kasati. I am 23 and I come from Japan. I now live in Spain as my brother and his Spanish wife were killed in a car accident and I now look after their two sons, Bob and Jim. I have two Alsatians, Fire and Water, and a Bearded Dragon Lizard called Thunder. My parents still live in Japan and I see them when I can.

I like to play guitar, pool, darts, poker, golf, football, rugby, spray painting art, playing cards, racing, snowboarding, skating.

My musical influences are Eminem, 50 Cent, Bruno Mars, Jason Derillo, Tiny Tempa, Tinchy Strida, Jay Z and Flow Rida.

I am in a band called **Red Hot Ice** and I play guitar in the band, my stage name is Martian. In the band there is Dex Wilde (drummer), Daysha Vontrella Conswa (vocalist) and Rachel X (keyboard). I met Dex Wilde in WWE and met Daysha Vontrella Conswa and Rachel X at a bar in Madrid. The girls were performing and we filled in on drums and guitars and got on really well so formed the band.

My wish for the future is for our album to go Platinum and to live in Hollywood.
