

Questionnaire ;

(1) What was your favourite piece of work that we did?

(2) What would you call your band and your character?

(3) Was there anything we could improve on, if so what?

(4) Any additional comments?

Thank you.

A Brief Of Band In A Box!

OUR BAND !

To kick off this wonderful topic, we were all randomly split up into groups. Each group consisted of 4 pupils and one group of 3.

At the beginning we were clueless! We didn't know how to create lyrics or a song. So, to train us, we listened to some legendary songs and played about with Garage Band. Meanwhile, in class we began our biographies which are displayed on the wall next to our characters. Oh yes! We designed characters too! Our amazing works of art are displayed up on the wall all around the class. Next we created coloured logos which symbolize our individual bands.

After some dabbling with song lyrics, we sat down to write out our proper ones. Everyones lyrics resulted very different and original. Once the song lyrics were finished we added music to fit with it.

Our songs turned out magnificent (if I say so myself)! But, to pull it all together we made an amazing video which took only a week to film and edit! All of that plus we had to book hotels, transport, venues AND flights to and from France! AND we had to write Itineraries and letters to Jeremy Vinyl! Oh AND we had our Red Nose Day to prepare for too!

We also had to make a podcast in French! With only a week to practice, that turned out good too!

It has been a great topic and a fabulous experience!

If you would like to order a T-Shirt designed by each band;

Riot!

Sting

KCOR

Explosion

StarStuck

**** Remember each T-Shirt is only £4!**
