

Marlyn Rose Taylor

My name is Marlyn Rose Taylor and I am 17 years old. I am originally from Dublin, Ireland but moved to Glasgow, Scotland when my dad received a job offer as a lawyer. His name is Craig and he is 38, my mum is called Emma and she is 37 and not forgetting my annoying little brother Eliot who's 15.

My interests include sky diving, which I participate in on a Sunday afternoon, scuba-diving when I got on holiday to Teniriffe and swimming in the local pool. My favourite band is Paramore and they inspire me because they have very different music. Most of my time now I spend in the band.

Thor, Olivia Rose and Lacie Dewinter are all the other band members of StarStruck. We all met at the Royal School of Music and Drama when studying rock music. Coincidentally, we all wanted to be in a band, so , we decided to form StarStruck. Thor is 21 and plays the electric guitar, Olivia is 18 and playes the bass guitar, Lacie is 18 and plays the keyboard which means I play the drums !! We are an awesome rock band !!

In the future, I hope the band will have at least two sold out concerts and a UK number one !! StarStruck is going to be big !!
