My name is Olivia Rose. I am 17 years old ,I was born on the 11th of April 1994 . I have a sister called Lacie Dewinter she is 1 years old she was born on the of October 1993 . My mum is called lois, she's 41 and my dad is called Jamie , he's 45 and my gran is called Mable and she's 83. Me and my sister are very close to our family as we go to see them twice a week in our private jet. I was born in Australia , Sydney. I also have a boyfriend is kerne Brown. My sister was born in Jamica , kingston. She is married to a man called Zach Dewinter.

In my spare time me and my sister go sky diving. I also like to go swimming when I have the time. I love to sing as you can see I a singer in my band. I really enjoy running because I am in the Cross Country team. The bands I really like are Paramore because they have got really good music and I love them. Green Day are also one of my Favorite bands because they are really good singer's and I have liked them since I was little .

My band met when me and my sister went to scotland to get a better education. We went to study music at the Royal School Of Music And Drama. While we were there we met a boy called Thor and a girl called MaryIn Rose Taylor. They both were also studying music and they heard me and lacie sing and me playing the guitar and Lacie playing the Key Board. Then Thor decided to make a band. Our band is called Star Struck. They members of the band consist of Olivia Rose, Lacie Dewinter, MaryIn Rose Taylor and Thor. The type of music we do is rock because it is very fun and the bands that I like do a lot of rock. The interments that i play are singer and bass guitar.

I hope in our band that we get a number one hit in the charts. More tours and gigs. Travel around the world doing concerts.
