# A small look into our topic...

Everyone from about P3 upwards knows about the Band in a Box project. This year's Primary 7's are the 3rd class to do this topic. It was constantly talked about in the first term of P7 and when Mrs Penny told us we were started it, everyone was very excited! Firstly we had to create our bands. They were chosen randomly by Mrs Wilson and Miss Kelly. Once we had created the names for our bands, character names, biographies and designed our characters, written our lyrics and songs, the work really began! After we had received our tour destinations, budgets and dates of our concerts, each band had to: book flights to and from their destination, book a hotel, transport, venues, design posters in french and english, magazine interviews, letters, itineraries, create videos for our songs, design logos, sign 100 photos and LOTS more!! We hope you enjoy viewing all of our hard work and thank you for taking the time to read this. xxx

## We'd now like to ask you a few questions...

What was your favourite part of this topic?

---

---

If you had this topic, what would your rock band and characters name be?

---

---

Is there anything you think we could do better and we'll pass this advice onto the next P7 classes?

---

---

Would you like to have done this project at school? If so, why?

---

---

Any other comments or not enough room for some of your answers?
