

Thor's Biography born 21/07/90

My name is Thor and I am 21 years old. I have no family except for my sister and my cat called Freddy.

I am originally from the Caribbean and I live alone in Glasgow. I moved from there because my mother and father died when I was 12 and so I went to live with my Aunt Betty in the West End.

I am part of a band named 'Starstruck' and in my spare time I love to do cross country and re-enacting medieval battles. I like wearing armour because it protects you from being hurt when you are hit with a sword. My favourite sword is a Claymore.

My fellow band members are Marlyn Rose Taylor age 17 who plays the drums, Lacie De Winter age 18 who is the lead singer and keyboard player and Olivea Rose age 18 who plays the bass guitar and sings a wee bit.. We met at RSMAD (Royal School Of Music and Drama) and I am the lead guitarist and play the electric guitar.

I have high hopes for our band's future and I am hoping that we travel the world and play at millions of sell out gigs.
