

Ozzy Pavlova

My name is Ozzy Pavlova and I am 23 years old. I was born in New York in Brooklyn. My mothers name is Elaine Pavlova and she is 41. My dad's name is Paul Pavlova he is 43. My sisters name is Stacey Pavlova and she is 17 and my brothers name is Josh Pavlova and he is 11.

I am in a band named Sting. Mason and I met each other in college and we decided to go back packing around the world. That's when we met Sammy and Kat in a hostel we were staying in in LA. We met up the next day and started talking about things we had in common and how we all liked music so we decided to form a band because we realised had some similar interests in music.

We decided to call the band Sting because when we were trying to think of a name for the band a bee flew in the window and thats when it hit me 'Sting'... so we decided to call the band Sting

I was inspired by AC/DC, Kiss, Bon Jovi, Guns 'N' Roses and Eminem. My hobbies are rugby and playing the guitar.

My hope for the band is to become well known and just make good music.
