

## About band in a box

Through out the **Band In A Box** topic we :

First met our band members and create are characters, we wrote biographies and made our band name.

Secondly we created are songs in Garageband, wrotes down our lyrics and recorded our song.

Thirdly we made magazine with interviews of our characters, we made merchandise for red nose day and played live in front of the whole entire school .

Then we had to book flights to France, do a podcast in french and make a poster for our concert in France.

Next we had to write our speeches for 'The Gavins' and say it in front of every one.

Welcome to 'The Gavins'.

# STING !!

Kat = keyboard  
Mason = bass  
Sammi = drums
